**Cumulus Pendant**  
*in collaboration with Moonbow*

A local collaboration between textile design studio Moonbow and Enoki, brings you three exclusive fabric designs for the Cumulus pendant; The Perfect Circle, Blue Motif, and Bronze Motif. The Perfect Circle design is a creation of floating spheres of teardrop and petal shapes, hand screen printed through an intricate hand cut stencil. The Motif designs are two paintbrushes in play, intertwining motif designs to create a soft, modern pattern. All designs are individually hand-made by Moonbow and once the fabric is cut and sewn into a Cumulus shade, each shade is one of a kind.
